

2011 - 2012 Schuyler Housing Production Program

----- GUIDELINES -----

Part I **Acquisition - Demolition – Rebuild**

- owner gifts property / house and accepted by **NeighborWorks Northeast NE**
 - title is clean / free / clear (no liens / no assessments)
 - house is vacant
 - title transfer costs paid by property owner
 - value of the lot forfeited by the property owner
- gifted property must be located out of flood plain, within the corporate city limits and serviced by existing infrastructure (paved street, sanitary sewer, water)
- priority consideration given to nuisance properties
- a signed **Memorandum Of Understanding (MOU)** shall be the document defining the relationship between the **City of Schuyler** and **NeighborWorks Northeast Nebraska** for each gifted property
- LB 840 (**SEDPlan**) economic development investment funding available to reimburse **NeighborWorks** for costs incurred in the demolition of house, site preparation costs (e.g. earth movement, excavation, curb grind, tree removal, etc.) and non-waived municipal fees / permits in conjunction with the new construction of single family housing for eligible low-to-moderate income (LMI) families
- \$15,000 maximum LB 840 funding per gifted property / site
- **City Council** approves all reimbursement requests by **NeighborWorks**
- upon completing site preparation, **NeighborWorks** builds a new house on the prepared site within 12 to 18 months
- priority consideration for local labor, materials, suppliers and sub contractors
- connection fees and tapping fees may be waived by Department of Utilities
- community benefits:
 - adds to Schuyler's new housing stock
 - helps to revitalize neighborhood
 - creates local employment opportunities
 - Housing Program strengthens partnership with **NeighborWorks**
 - LB 840 investment recovered thru future property taxes
- 2011 - 2012 Fiscal Year Budget (**Part I & II**) is \$15,000
- **Part I** aligned with the **Recommendations** prioritized at the **Schuyler Community Housing Conference** (2006 – 2007)
- **Schuyler Housing Production Program** reviewed annually.

2011 - 2012 Schuyler Housing Production Program

----- GUIDELINES -----
