SCHUYLER RURAL WORKFORCE HOUSING FUND

FUND INVESTMENT PLAN

Administered by:
SCHUYLER COMMUNITY DEVELOPMENT, Inc.
A 501(c)3 Non-Profit Organization

Consultant:
NEIGHBORWORKS NORTHEAST NEBRASKA

A. PURPOSE

The Nebraska Rural Workforce Housing Fund (RWHF) Act was approved by the Governor on April 27, 2017. The Act authorized a one-time transfer of funds from the Nebraska Affordable Housing Trust Fund to the RWHF, which is administered by the Nebraska Department of Economic Development (DED). The fund is a resource to support the creation of rural workforce housing investment funds to encourage the development of workforce housing in Nebraska's rural and underserved regions.

Prioritization for the funds is based on a demonstrated and ongoing housing need, low unemployment rate, difficulty filling an employment position, demonstrated a commitment to growing housing stock, projects reasonably ready for occupancy in a period of twenty-four months, and the capacity to manage a workforce in rural Nebraska. The workforce housing funds are intended to revolve and allow for reinvestment in workforce housing projects into the future.

DED's role in the RWHF is as an investor and a partner. As an investor, DED has provided a grant to Schuyler Community Development, Inc. (SCD) for the creation of a Schuyler Rural Workforce Housing Fund for the City of Schuyler to fund rural workforce housing projects that will provide the best investments of state resources to promote the development of workforce housing. As a partner, DED is interested in providing input as early as possible in fund development or project design. The department will work closely with SCD and the City of Schuyler to address any obstacle encountered during fund development, project development, or implementation. Schuyler Community Development is the Applicant and Administrator of the Schuyler RWHF. The controlling body of Schuyler Community Development is the Board of Directors. The

Schuyler Community Development has contracted with NeighborWorks Northeast Nebraska as Consultant to the Schuyler RWHF. Throughout this plan the term “Administrator” refers to Schuyler Community Development, Inc., “Consultant” is NeighborWorks Northeast Nebraska, and “Board or Board of Directors” is the oversight body of Schuyler Community Development, Inc.

B. SOURCE OF FUNDS

1. 2018 Funding Cycle

The City of Schuyler has provided 1:1 cash contribution of \$150,000 to create this housing fund. The source of these funds is from Schuyler’s LB840 Economic Development Investment Fund.

Schuyler Department of Utilities has matched this the City of Schuyler’s portion 2:1, adding \$300,000 to the cash match.

Cargill Meat Solutions matched the Schuyler RWHF in the amount of \$211,000.

Pinnacle Bank-Schuyler has also matched the Schuyler RWHF in the amount of \$25,000.

Homestead Bank-Schuyler has also matched the Schuyler RWHF in the amount of \$15,000.

In addition to the local cash contribution the Nebraska Investment Finance Authority (NIFA) has provided \$250,000 matching funds to create this workforce housing fund.

Special Terms for NIFA LB518 Match:

NIFA has issued itemized LB 518 Match Program Guidelines (dated February 2018) when using NIFA dollars in the Schuyler RWHF. Other guidelines of NIFA LB 518 Match funds may apply to this Fund Investment Plan. (See Attachment #1 for NIFA LB 518 Match funds Guidelines)

Housing development using the NIFA matching funds must benefit households whose income does not exceed 150% of the *American Community Surveys-Nebraska Statewide Median Family Income* for a family of four. (Currently the *American Community Surveys-Nebraska Statewide Median Family Income* for a family of four (\$85,885) multiplied by 150% is \$128,827.50.)

NIFA will require that a percentage of the units produced (such percentage to be based upon the percentage that the NIFA LB 518 Match bears to the total cost of the project) be made available to persons of Moderate Income. The affordability period for such units shall be a minimum of 10 years.

For NIFA LB 518 Match funds deposited into a rural workforce investment fund or used to make direct loans for Workforce Housing, the SCD shall earn a rate of return on such funds at

least equal to the current rate of inflation. NIFA LB 518 Match funds returned to the SCD must continue to be used in accordance with these Guidelines for a minimum of ten (10) years. Any such future uses of LB 518 Match Funds shall be approved in writing by NIFA.

The combined cash contribution of \$951,362 allowed a grant request of \$951,362 to provide resources to establish the Schuyler Rural Workforce Housing Fund in the amount of \$1,902,724.

The guideline for a housing project being reasonably ready for occupancy varies depending on the type of project. Information will be obtained from the applicant during the application process for the initial use of the Schuyler RWHF. At the time of loan

Fund Advisory Committee members shall not directly contact loan applicants regarding a loan, or future loans of the loan applicant, or any confidential information gleaned while discussing the loan. This does not apply to discussions with colleagues about organizational matters, if the loan is not discussed.

K. APPROVAL PROCESS

The Board of Directors will appoint a Fund Advisory Committee which will consist of a minimum of five and a maximum of seven members.

At least one of the members shall be:

- Member of Board of Directors of the Fund Administrator;
- A representative of the City of Schuyler;
- Have commercial lending or financing experience.

The remaining members can be housing advocates in the city of Schuyler. A staff member will be attendance of all meetings for record keeping purposes.

The Fund Advisory Committee will review and make a loan recommendation of approval or denial to the Board of Directors. The Fund Advisory Committee will also recommend changes in the Investment Plan of the Schuyler Rural Workforce Housing Fund to the Board of Directors.

The structure of the Fund Advisory Committee and their attendance at the meetings are critical to the success of the Schuyler RWHF. The Fund Advisory Committee will meet on an “as needed” basis, but typically the meeting will be held one week prior to the Board of Directors meetings which are typically held every three weeks. The Fund Advisory Committee may conduct its review during a face-to-face meeting, by mail, e-mail or using a telephone conference call. A quorum of the Fund Advisory Committee members is required to meet. Also, a simple majority of the entire Fund Advisory Committee is needed to make a recommendation. A loan will not be recommended without the commercial lender or financing experience members’ vote.

Attendance:

- Fund Advisory Committee members shall attend at least 75% of meetings in a calendar year.
- To “attend” a meeting means being present and available for at least 30 minutes.
- Unexcused absences shall be grounds for dismissal of the member effective immediately upon an affirmative vote of the Board of Directors.

The Fund Advisory Committee shall perform the following functions:

1. For Approval:

- Assess and analyze, recommend approval or denial of loan requests to the Board of Directors that Fund Administrator staff bring to the attention of the committee, or foreclosure proceedings (in the event of default).
- Assess, and recommend approval or denial to the Board of Directors of loan extensions and modification requests that lending staff bring to the committee.
- Assist the staff in the refinement of loan underwriting and portfolio management policies.

2. For Review and Comment:

- Review portfolio compliance with exposure limits, actions taken on loans with significant delinquencies, loan maturities, and actions taken on watch list loans.
- Review additional reports as provided by Fund Administrator staff.
- Initiate discussions on new loan products needed or other new opportunities. Review and respond to staff research on the same.
- Undertake other related activities as the Board of Directors may request.

It is not the intent of the fund to compete with traditional lenders, but rather partner with them whenever possible. Therefore, the Fund Advisory Committee will rely on the participating Lender's expertise and experience to determine the amount of funding needed to fill "the gap". A letter of intent of financing the housing project from a lender is required to include in an application under this fund.

3. Scoring/Selection Criteria

The Fund Advisory Committee shall score each application according to the following criteria, but not limited to:

- Eligibility under the Schuyler Rural Workforce Housing Fund;
- Housing project's beneficial impact to the City of Schuyler
- Soundness and creditability of the housing proposal;
- Eligible activities of the project to be funded;
- Track record, credibility, and credit worthiness of applicant;

L. ADMINISTRATION OF FUND

1. Loan Review Process and Procedures

Upon submission, the application will be reviewed by the staff for technical adherence to the guidelines of the Schuyler Rural Workforce Housing Fund. Should the application be deficient the applicant will be contacted for additional information. Additional information must be obtained within 30 days of the request. If not received within 30 days of the request, the application will be put into the "Incomplete Applications" file. Once staff has determined the application is complete, staff will prepare a loan write-up and submit the application to the Schuyler RWHF Fund Advisory Committee for review and funding recommendation/denial, utilizing the Project Selection Scoring Worksheet and Review Criteria. It is the intent of the Fund Advisory Committee to review all applications within 30 days of the application determined to be completed by staff. Rate, terms and collateral and equity requirements will be finalized as negotiated between the applicant and the staff. Staff will keep minutes/records of all Schuyler RWHF Fund Advisory Committee meetings.

The loan recommendation of the Schuyler RWHF Fund Advisory Committee will be forwarded to the Board of Directors for final approval/denial at least 10 days prior to a regularly scheduled Board meeting. After approval or denial by the Board of Directors, staff will immediately notify the applicant by phone/email and/or in writing.

2. Loan Closing Process and Procedures

The Fund Administrator will prepare all necessary documents to complete the approved funding request. Standard loan closing documents may include, but not limited to:

- Promissory Note
- Loan Agreement

- Financing Statement
- Personal Guaranty
- Automated Clearing Housing (ACH) form
- Title/Lien Search

Projects authorized for pre-construction costs may receive disbursement in advance of any construction activities. The Fund Administrator will be responsible for timely construction inspections and will provide copies of the inspections to the borrower upon request.

Closing fees will be applicable as identified in Section I.

Title Companies may be used to payout loan proceeds based upon inspections, and collect lien waivers.

3. Subordination

Some projects require special financing techniques to meet a borrower's needs. Recognizing that, a subordinate position to other lenders of record at the time of the project may be taken. If a subordinate position is required, additional considerations will be taken so as not to jeopardize the loan portfolio. All fees associated with subordination will be the borrower's responsibility. Other special financing techniques may include quarterly or semiannual payments, interest only payments during a designated time, or some other method agreed upon by the Fund Advisory Committee and Board of Directors.

4. Loan Servicing

a. File Management

A separate file will be maintained for each loan applicant and borrower. Each file will contain all documents and correspondence and kept in a filing cabinet in addition to an electronic file will be maintained. The file will include all application documents, insurance forms, general correspondence, financial statements, site visit reports and other documents related to the application and loan.

b. Loan Payments

A loan repayment schedule providing for monthly, quarterly, semi-annual or annual payments will be provided in conjunction with project approval. Repayments shall be deposited in the Schuyler RWHF program for a future project as approved.

Fund Administrator staff will monitor each loan by requiring quarterly reports/updates, conducting regular site visits to the project site. If evidence of requested updates and/or documents are not received within 60 days as requested by written communication, a monthly assessment of no less than \$50.00 will be assessed to the borrower.

If payments are not honored by a financial institution due to Non-Sufficient Funds or Stop Payment, the staff will document the contact made with the borrower (either by phone or letter) – notifying the borrower of the NSF charge and payment must be sent to the Fund Administrator’s office within 10 business days. A \$50.00 NSF charge will be assessed to the borrower.

c. Late Payments

In the event of a late payment or loans over 30 days in arrears, staff and/or legal counsel will attempt to establish a workout arrangement with the borrower. Every effort will be made to assist the borrower but protect the Schuyler RWHF as well. All action taken on any given loan will be documented in the regular reports to the Fund Administrator’s Board of Directors.

The terms and procedures in the event payments are not made by the due date are detailed in the Promissory Note and Deed of Trust.

Write-offs or charge-offs by the Fund Administrator do not release borrowers from their obligations under the terms of the project’s loan documents. Borrowers are expected to pay the full amount of principal, interest, late fees and collection costs to which the Fund Administrator is entitled, adjusted in accordance with any loan modification, restructurings or forgiveness which are recommended by the Fund Advisory Committee and approved by the Board of Directors.

5. Extending, Modifying, and Forgiving Loans; Foreclosure

a. Loan Extensions

An extension is defined as a change ONLY to the maturity date of a loan, when:

- a repayment source is identified and likely but not yet committed or received,
- or when the project timeline is extended but the development plan, process, and budget remain the same.

The Fund Advisory Committee would make a recommendation to the Board of Directors of any extension requests. The Board of Directors will approve or deny the request.

b. Loan Modification

Complete underwriting of the loan must be performed, if:

- A project requires additional extensions beyond 12 months;
- The development plan has changed substantially;
- The development budget has changed substantially;
- The repayment source has change substantially;

c. Loan Forgiveness

Partial or full loan forgiveness shall require the approval of the Board of Directors on a recommendation of the Fund Advisory Committee.

d. Foreclosure/Deed of Trust, Trustee Power of Sale

Foreclosure/Deed of Trust, Trustee Power of Sale Proceeding is the last option to collect defaulted secured loans. However, it may be the only option to remedy a deteriorating situation and/or recover a portion, if not all, of a loan repayment. It will be pursued only after the Fund Administrator has exhausted all other reasonable remedies.

Foreclosure/Deed of Trust, Trustee Power of Sale can only take place upon the decision of the Board of Directors based on a recommendation of the Fund Advisory Committee.

If Foreclosure/Deed of Trust, Trustee Power of Sale happens then the proceeds will be disbursed in accordance with applicable laws and preferably as follows:

- Collection costs (including, but not limited to, appraisals, legal costs, expenses for stabilizing the property.
- Loan amounts owed to senior lenders, if any;

6. Monitoring

The SCD staff will prepare quarterly Schuyler RWHF Reports. These reports will identify each borrower, the status of payments, outstanding loan balance, the maturity date of the loan, applications in the pipeline as well as any funds on hand. The reports will be presented to the Fund Advisory Committee, SCD Board of Directors. If payments are not received by the due date, the SCD staff will inform the Fund Advisory Committee. The financial data will be tracked using SCD's accounting software as well as other Excel spreadsheets.

In addition, staff will prepare a report of any potential applicants on a pending application list if funds are not available to fulfill additional loan requests. This will keep the local members of the Fund Advisory Committee informed of all aspects of Fund as well as the Board of Directors.

7. Program Compliance

The Fund Administrator will submit an annual report to DED, to be included as part of the DED's annual status report required under section 81-1201.11. The report shall certify that the Fund Applicant meets the requirement of the Rural Workforce Housing Investment Act and will include a breakdown of funded program activities.

The annual report to DED shall include, but not limited to:

- The name, location, and geographical region served by the Fund Administrator;
- The number, amount, and type of Schuyler RWHF invested in qualified activities;
- The number, geographical location, type and amount of investments made;
- A summary of matching funds and where such matching funds were generated; and
- The results of the required annual audit.

If Schuyler Community Development as the Fund Administrator ceases administration of the Schuyler RWHF, it shall file an annual report with DED in a form and manner required by the DED Director. The City of Schuyler can appoint a new Fund Administrator that meets the requirements of the Schuyler RWHF.

If the Schuyler RWHF ceases any unallocated grant funds are returned to DED, and cash match funds are returned to the Schuyler Department of Utilities, Cargill, City of Schuyler, Homestead Bank-Schuyler, Pinnacle Bank-Schuyler, Schuyler Insurance and Real Estate, Gary Kracl Agency, Inc., American Family Insurance, Agri-City Insurance, Jon and Pat

Knutson, Lonnie and Patti Kitt, and Brian and Christina Bywater, it will be their discretion as to where the funds are used from that point forward.

M. RISK MITIGATION

The Fund Administrator will take many precautions to minimize risk not only on the Fund level but on the Project level as well, so the funds can continue to revolve and ultimately continue to add workforce housing in the city of Schuyler. The Schuyler RWHF will be administered in compliance with this Fund Investment Plan. An experienced and diverse Fund Advisory Committee, consisting of City leadership, lending/realtor/developers' individuals have been established to assist in the oversight of the Schuyler RWHF. In addition to the Fund Advisory Committee, the Fund Administrator's Board of Directors is also a diverse makeup of community leaders. As identified earlier in this plan, the application process will involve packaging by the Fund Administrator's staff, then reviewed by the Fund Advisory Committee, who will ultimately provide recommendations to the Board of Directors for either approval or denial. Fund Administrator staff shall conduct a complete review of all outstanding loans at least annually.

1. Fund Level

The Fund Administrator has procedures that provide guidance to the staff as well as the Board of Directors. Many practices in managing the Schuyler RWHF are already in place.

- The Fund Administer will deposit the Schuyler RWHF proceeds in several Schuyler financial institutions ensuring that the totals funds on deposit at each institution do not exceed the FDIC limits of insurance.
- Liens and Security Instruments common in lending practices will be utilized always.
- The Fund Administrator secures a third-party firm of certified public accountants annually to conduct a financial and programmatic audit of the organization.

2. Project Level

Risk mitigation will also be a high priority of the Fund Administrator on the project level.

- Title insurance will be provided to determine legal descriptions, outstanding liens, current taxes, etc.
- Traditional lending documents will be used be ensure there is adequate security for the loan, this will be done by filing liens on the property, deed restrictions and other legal documents applicable to each loan and project.
- The staff of the Fund Administrator will conduct periodic inspections of the housing projects and document their finding in each borrower's files.
- The Real Estate Property taxes must be made current prior to the release of the Schuyler RWHF loan proceeds.
- Borrowers must not be debarred, suspended, proposed for debarment, placed in ineligibility status, or voluntarily excluded from covered transactions by HUD or any

other federal agency under the provisions of Executive Order 12549 “Debarment and Suspension” and 24 C.F.R. Part 24 (government debarment and suspension regulations).
